OSHA 8 HOUR REFRESHER HAZWOPER FRIDAYS  
Jan. 23  June 8  Nov. 6

FREE TRAINING!
FUNDDED BY A SPECIAL GRANT
The EPA has provided funds to the Oklahoma Environmental Training Center to offer FREE water and wastewater operator training programs to the unemployed and underemployed. If you are interested in joining this high demand career field, contact the Center today at (405) 733-7488.

There will be 8 training opportunities given over the next 2 years. Each training set will be for a 3 weeks and include the following:

- 40 hr. course on water & wastewater operations “D” Level Certification awarded in each upon passing the DEQ test
- OSHA 40 hr. HAZWOPER Certification course
- Trenching and Shoring Certification
- Confined Space Certification
- Oklahoma Career Readiness Certificate-WorkKeys Underground petroleum tank leak detection awareness course.

Rose State College will then work with municipal, tribal and contractors for job placements.

Those interested in this free training or those looking for trained operators to hire call (405) 733-7488, email bclark@rose.edu , or visit http://www.rose.edu/water .
