If you received a full-time Federal Pell Grant (12+ credit hours) during the fall 2014 semester and a full-time Federal Pell Grant (12+ credit hours) for the spring 2015 semester at Rose State College or another institution, you have used 100% of your Pell Grant eligibility for the 2014-2015 award year and will not be eligible for a Federal Pell Grant for the summer 2015 term.

For summer Pell Grant purposes 12 credit hours is considered full-time, 9 credit hours is considered ¾ time, 6 credit hours is considered ½ time and 3 credit hours is considered less than ½ time. Enrollment in less than 3 credit hours does not qualify for financial aid.

You must be enrolled in classes that cover the 4-week or 8-week period. Enrollment in only the intersession does not qualify for financial aid.

The Financial Aid census date for the summer 2015 first 4-week and 8-week terms is June 5, 2015. The census date for students enrolled in second 4-week classes only is July 6, 2015. Any classes added after the census dates are not eligible for financial aid.

Book charges for Pell Grant recipients will begin approximately one week before classes start and will end after the first week of class. Tuition and fees will be paid from your Pell Grant first. Any remaining amount may be available as a book charge. Since summer Pell is based on remaining eligibility you may not have a book charge for summer. Book charges are not available against student loan funds.

The Oklahoma Tuition Aid Grant (OTAG) is not available for summer.

You must be enrolled in at least six credit hours for the Federal Supplemental Educational Opportunity Grant (FSEOG).

You must be enrolled in at least 6 credit hours that cover an 8-week period to be eligible for a student loan during the summer 2015 semester. If you are enrolled in split sessions your loan proceeds will not be available until you begin enrollment in 6 credit hours.

You must be enrolled in at least 3 credit hours to be eligible for the Federal Work Study program.

If you have been awarded Federal Work Study for the summer and you have been placed in a Federal Work Study position, you will be able to work during the summer period for which you are enrolled. You must be enrolled in a minimum of 3 credit hours during the summer 2015 term to be eligible for Federal Work Study. You must contact the Office of Student Financial Aid and Scholarships to be processed for your summer job. You must have a completed 2015-2016 FAFSA on file with Rose State College to continue working past June 30, 2015. Federal Work Study amounts for summer are for hours worked through June 30, 2015. Hours worked in July 2015 will be taken from your fall 2015 Federal Work Study Award.
