Welcome to The Village at Rose State

In our inaugural year, Student Housing at Rose State College would like to welcome and invite you to live in our premier apartment style residential student housing complex. All occupants are required to be enrolled in a minimum of 3/4 time (9-11 credit hours) as defined by Federal Financial Aid policy while also maintaining good academic standing. Preference will be given to students who are enrolled full time (12 or more credit hours) as defined by Federal Financial Aid policy. Exceptions to the credit hour enrollment requirement will be made for those students in their final semester seeking graduation from Rose State College or based on hardship as determined by Residence Life Staff at Rose State College. All requests for the exception to the enrollment requirement must be submitted in writing attached to this application.
