Dr. James Cook, President
Rose State College
6420 S.E. 15th
Midwest City, OK 73110

Dear Dr. Cook:

Enclosed are originals of four articulation agreements that have been developed between representatives of your institution and SWOSU. We appreciate all the efforts you and your faculty have put forth to help better educate the citizens of Oklahoma. Please sign and return the agreements to the address listed below.

Thank you.

Sincerely,

Ken Rose, Dean
ARTICULATION AGREEMENT
BETWEEN SOUTHWESTERN OKLAHOMA STATE UNIVERSITY
AND ROSE STATE COLLEGE

Associate in Science Degree in University Studies: Computer Science Emphasis or
Business Computer Information Systems Emphasis (RSC)

and

Bachelor of Science in Computer Science or Information Systems (SWOSU)

OVERVIEW:

This formal program articulation agreement is made and entered into by Southwestern
Oklahoma State University, hereinafter referred to as SWOSU, and Rose State College,
hereinafter referred to as RSC. By this agreement SWOSU and RSC express a shared
commitment to increasing opportunities for student access to and success in higher
education. By clarifying transfer policies and procedures, which assure articulation
between programs, the institutions seek to assist students in making a seamless transfer
from the associate to the baccalaureate degree.

PURPOSE:

This agreement provides students who have earned an Associate in Science Degree in
University Studies: Computer Science Emphasis or an Associate in Science Degree in
University Studies: Business Computer Information Systems Emphasis at RSC the
opportunity to complete a Bachelor of Science in Computer Science or Information
Systems at SWOSU. Any RSC student who has earned an Associate in Science Degree
in University Studies: Computer Science Emphasis or an Associate in Science Degree in
University Studies: Business Computer Information Systems Emphasis and adheres to the
guidelines within this agreement, is guaranteed that SWOSU will accept the A.S. degree
as fulfillment of all general education requirements in the Computer Science and
Information Systems B.S. program. This agreement also allows a RSC Associate in
Science Degree in University Studies: Computer Science Emphasis or Associate in
Science Degree in University Studies: Business Computer Information Systems
Emphasis graduate to enter the Computer Science or Information Systems B.S. program
with a specific number of credit hours of required Computer Science or Information
Systems course and elective courses waived. Table 1 shows the list of equivalent courses.

CONDITIONS OF TRANSFER:

Section I: Admissions and Matriculation

RSC students maintaining continuous enrollment under this agreement will be afforded
the same treatment and protection as regular SWOSU students enrolled under the
Computer Science or Information Systems B.S. program.
Criteria for acceptance into SWOSU will be the same for transfer as for regular SWOSU (native) students.

RSC, upon request of students, will provide verification of completed courses to SWOSU through its Office of Admissions and Records. The transcript of each student transferring from RSC will be evaluated by the Registrar's office at SWOSU.

Transfer students from RSC will have access to financial aid, scholarships, and student services on the same basis as native students.

Minimum grade of "D" in all courses must be maintained by a student to be considered for transfer under this articulation agreement.

SWOSU will apply the same academic progress and graduation standards to RSC transfer students as those applicable to native students at SWOSU.

Section II: Transfer of Credit

A maximum of 60 credit hours will be accepted by SWOSU from RSC to be applied to the Bachelor of Science in Computer Science or Information Systems.

Transfer students from RSC, upon acceptance into the Computer Science or Information Systems program at SWOSU, will have junior standing at SWOSU.

TERMS OF AGREEMENT:

This agreement is made and entered into immediately and remains in force unless changed in writing by mutual agreement of both parties. The agreement may be amended at any time with the approval of both parties and is subject to regular review to assure currency with the respective degree requirements. Should either party desire to discontinue this agreement, advance notification of two years will be required.

Signatures:

Southwestern Oklahoma State University and Rose State College hereby enter into this program articulation agreement leading from the Associate in Science Degree in University Studies: Computer Science Emphasis or Associate in Science Degree in University Studies: Business Computer Information Systems Emphasis to the Bachelor of Science in Computer Science or Information Systems by affixing of signatures of the chief executive officers of both institutions.
