Name: ___________________________ RSC Student ID#: ________________

I am requesting a review of my academic progress for reinstatement of federal financial aid for the following semester:

_____ Fall 2015  _____ Spring 2016  _____ Summer 2016

I understand my academic progress measured by pace and cumulative GPA must meet the minimum RSC Satisfactory Academic Progress (SAP) Policy requirements in order for aid to be reinstated.

I understand the RSC SAP policy states a student must successfully earn at least 67% of all attempted credit hours AND must maintain at least a 1.80 cumulative GPA (0-30 attempted hours) and at least a 2.00 cumulative GPA (31 or more attempted hours) before aid can be reinstated.

I understand I will be notified by the RSC Office of Student Financial Aid of the results of this request for reinstatement of Federal Financial Aid.
