2015-2016 Request for Reevaluation of Federal Direct Loans

Student Name: ________________________________  RSC Student ID#: ______________________

I do not want to receive a work study award and want to be evaluated for a loan.

1. Choose one:
   ○ Dependent Student: I filed my FAFSA with my student and parent information.
     Note: As a dependent student, your aggregate loan limit is $31,000. Please refer to the back of this form for the annual and aggregate loan limits allowed per Federal Law as determined by the U.S. Department of Education.
   ○ Independent Student: I filed my FAFSA with my information (and my spouse’s information if married).
     Note: As an independent student, your aggregate loan limit is $57,500. Please refer to the back of this form for the annual and aggregate loan limits allowed per Federal Law as determined by the U.S. Department of Education.

2. Review NSLDS student access at http://www.nslds.ed.gov Based on my review, my total outstanding Stafford subsidized and unsubsidized borrowing is $________________ toward my undergraduate aggregate loan limit. If you are a first time borrower, enter zero.

3. Using the Standard Repayment Plan Calculator and an estimated interest rate of 4.29%, calculate your current loan repayment obligation. Go to the online Loan Repayment Calculator at http://www.direct.ed.gov/calc.html Based on my review, I have determined that my estimated current monthly loan payment would be $__________________.

Borrowing a student loan is a serious obligation, which must be repaid in full with interest. There are serious consequences if you fail to meet the terms of repayment. Carefully consider the amount of the loan funds you request, and please borrow wisely. Your total financial aid award, including student loans, cannot exceed your cost of attendance for the semester.

Indicate the semester(s) you wish to be awarded and the exact dollar amount per semester you are requesting. You should refer to the back of this form for the annual and aggregate loan limits allowed per Federal Law as determined by the U.S. Department of Education. Please remember, these Federal limits may affect the amount of Direct Student Loan funds you are eligible to borrow. Our office will determine your Federal Direct Loan eligibility based on your request. Per Federal Law, Federal Direct Student loans must be disbursed to your RSC student account in two equal disbursements according to your loan period. If you are unclear on the disbursement of loan funds, please ask for more information.

I understand that I am requesting financial aid in the form of a debt that must be repaid. In order to have loan funds disbursed, I must be enrolled in and have begun attending 6 credit hours in addition to all of the other terms and conditions of my financial aid award.
