STEM CAMP
This class focuses all on Science, Technology, Engineering, and Math. Use your creativity to design a project and then your critical-thinking skills to develop your concept.
Ages: 9-11  Instructor: T. Hilton

CREATIVITY-U
Bring your creativity and imagination on this fall break adventure. You’ll have the opportunity to explore different artistic mediums, DIY projects, creative writing, and music to incorporate all of your creative thoughts and dreams into projects you can take home and keep!
Ages: 8-11  Instructor: D. Trent
Ages: 12-13  Instructor: K. Willis

FABLAB
Come check out the Rose State College FabLab, a digital fabrication laboratory where you can create anything you can imagine. You’ll learn about our state-of-the-art equipment, proper safety, and how to build your very own solar charger for your cell phone.
Ages: 12-16

JENKS AQUARIUM DAY CAMP
Thursday, Oct.15
8:30am - 6:00pm
Ages: 8-15  Cost $50
Discover the beautiful and exciting world beneath the sea, by visiting the Jenks Aquarium during fall break. We have lots of adventures planned for our Aquarium Day Camp. Your children will learn about aquatic conservation in a fun environment, and parents will conserve their energy while the kids are on break!
