ARTICULATION AGREEMENT
BETWEEN ROSE STATE COLLEGE
AND PARK UNIVERSITY

OVERVIEW:
This formal program articulation agreement is made and entered into by Park University, hereinafter referred to as Park, and Rose State College, hereinafter referred to as RSC. By this agreement RSC and Park express a shared commitment to increasing opportunities for student access to and success in higher education. By clarifying transfer policies and procedures, which assure articulation between programs, the institutions seek to assist students in making a seamless transfer from the associate to the baccalaureate degree.

PURPOSE:
This agreement provides students who have earned an Associate of Arts in Social Sciences the opportunity to complete a Bachelor of Science in Management/Human Resources at Park. Any RSC student who has earned an Associate of Arts in Social Sciences and adheres to the guidelines within this agreement is guaranteed that Park will accept designated freshman and sophomore education credits and all general education credits and will apply such to the Bachelor of Science in Management/Human Resources degree in a manner consistent with the treatment of native Park students.

CONDITIONS OF TRANSFER:

Section I: Admissions and Matriculation
RSC students maintaining continuous enrollment under this agreement will be afforded the same treatment and protection as native Park students enrolled under a specific catalog.

Criteria for acceptance into Park will be the same for transfer as for native students.

RSC, upon request of students, will provide verification of completed courses to Park through its Office of Admissions and Records. The transcript of students transferring from RSC will be evaluated by the Registrar’s Office at Park.

Transfer students from RSC will have access to financial aid, scholarships, and student services on the same basis as native students.

Minimum grade of “C” in all courses must be maintained to qualify for transfer under this articulation agreement. Completion of the residency requirement: 30 hours of earned and graded college hours at Park. At least 12 of these 30 hours must be in the major core.

Park will apply the same academic progress and graduation standards to RSC transfer students as those applicable to native students at Park.

Section II: Transfer of Credit
A maximum of 75 credit hours will be accepted by Park from RSC to be applied to the Bachelor of Science in Management/Human Resources.

Transfer students from RSC, upon acceptance into the Management/Human Resources program at Park, will have junior standing at Park.

Section III: Program Plan
While a course-by-course equivalence was used in the development of this plan, this agreement presumes that the general education core requirements at RSC meet all freshman and sophomore level university studies requirements of Park. Students falling under this program articulation agreement will be responsible for successfully completing the following requirements.
### Rose State College

**Associate in Arts in Social Sciences**  
**Years 1 & 2**
