DON’T FORGET

CONTACT DEQ
Remember that enrolling at Rose State College for the class does not enroll you for taking the test. You must contact DEQ directly. They must have your completed application filled out correctly and payment for the test at least 3 weeks ahead of the testing period. This includes the proctored exams.

GET AN APPLICATION FOR THE TEST AT:
www.deq.state.ok.us/wpadmin/forms.html
Click on: FORM 710-001

FREE TRAINING 
FUNDED BY A SPECIAL GRANT

The EPA has provided funds to the Oklahoma Environmental Training Center to offer FREE water and wastewater operator training programs to the unemployed and underemployed. If you are interested in joining this high demand career field, contact the Center today at (405) 733-7488.

There will be 8 training opportunities given over the next 2 years. Each training session will be for 4 weeks and include the following:

- 40 hr. course on wastewater & water operations “D” Level Certifications awarded in each upon passing DEQ test
- 40 hr. course on C wastewater & water lab operations “C” wastewater & water lab certifications awarded in each upon passing the DEQ test
- OSHA 40 hr. HAZWOPER Certification
- Confined Space Certification
- Trenching/ Shoring & Lockout/Tag Out

Rose State College will then work with municipal, tribal and contractors for job placements.

Those interested in this free training or those looking for trained operators to hire call (405) 733-7488 | email bclark@rose.edu
visit http://www.rose.edu/water.
