Before students can be accepted into the B.M.Ed. Degree, they must demonstrate, through audition, a repertory and technical proficiency sufficient to demonstrate a reasonable expectation for completion of the degree.

* Students capable of playing the piano at an intermediate or higher level may take a Piano Placement Examination prior to their first enrollment to determine their eligibility to enroll in an appropriate level of Applied Piano (MPER 1000, 2000, 3020, 4000) as an alternative to Class Piano.

Students in applied music progress according to stated repertoire commensurate with the level of study and as demonstrated in a juried performance. Access to upper division 3000 and 4000 level study and to the junior level recital is authorized by the division faculty upon completion of a juried performance at the preceding level with a grade of B or higher.

Students enrolled in Junior Recital (MPER 3811) must pass a pre-recital jury at least two weeks prior to the recital. Each performance area will determine what literature is appropriate for junior level recitals.
