See specific details on the following pages for claiming points in various competition categories.

Who is eligible to compete? All student-chartered organizations.

GENERAL GUIDELINES: A designated number of points are awarded for participation in various events and activities during the fall and spring semesters. The Student Organization that accumulates the highest total number of points will be declared the winner and receive a cash prize. The 2nd, 3rd and 4th place winners will also receive cash prizes (dollar amounts to be announced at the Student Engagement Banquet in the spring).

The name of the Student Organization of the Year will be engraved on the granite bench located on the campus mall east of the Student Center.

HOW TO CLAIM POINTS: To claim and accumulate points for Student Org. of the Year, an official Points Form must be submitted through the Student Engagement website within 30 days of EACH event or activity. LATE SUBMISSIONS WILL NOT BE ACCEPTED. When claiming points, a member may only represent ONE ORGANIZATION per event or activity.

POINTS FORM: Points will now be submitted online through the Student Engagement link of the Rose State College website at http://www.rose.edu/club-points

Please note that ADVISORS SHOULD NOT COMPLETE AND SUBMIT POINTS FORMS. Doing so will inhibit the opportunity for students to learn valuable skills for becoming a successful leader. If the Secretary position is vacant, then the President or other student Officer can be designated to fill out and submit point forms.

A CLUB CHARTER OR RE-CHARTER FORM LIST MUST BE SUBMITTED, APPROVED AND ON FILE IN THE STUDENT ENGAGEMENT OFFICE BEFORE POINT FORMS MAY BE SUBMITTED. The membership list should include the names, RSC student ID, phone number and email address of each member. Note: Student Organization Members must be currently enrolled RSC students and actively involved in the student organization meetings and activities before they can be counted in any of the Club of the Year point categories. As new Members are added during the year, additions must be submitted and on file in the Student Engagement Office before the new Members can be counted in any of the points categories.

The Student Senate is not eligible to compete for Student Organization of the Year. However, the members of the Student Senate are eligible to participate in the contest as an official member of other organizations. If the Senate is required to attend an event, then the Senator is disqualified from claiming points for an organization.

DISCLAIMER: STUDENTS ARE RESPONSIBLE FOR SUBMITTING THE CORRECT NUMBER OF POINTS FOR AN EVENT OR ACTIVITY. The Student Engagement Office reviews all submitted forms/points for accuracy; however, it is not the responsibility of Student Engagement to “guarantee” the correct number of points have been submitted. Any errors discovered by an organization must be reported to Student Engagement before the April deadline. Corrections after the deadline date will not be accepted.
