**OTHER REQUIREMENTS:**

The College of Arts & Sciences requires 6 hours Upper-Division General Education outside the major department. Total hours must include at least 40 hours in courses numbered 3000 or above. Hours in one department in excess of 54 will be added to the minimum total of 120 required for graduation. At least 60 hours must be completed at a four-year institution. At least 30 hours must be completed at OSU. 15 of the final 30 completed, or 50% of the upper-division hours in the major field must be completed at OSU. Limit of: one-half of major course requirements as transfer work; one-fourth of hours earned by correspondence; 8 transfer correspondence hours.

1. **GENERAL EDUCATION REQUIREMENTS**

   No more than two courses (or eight hours) from the major department may be used to meet General Education and College and Departmental Requirements. The General Education required English Composition, required U.S. History, required American Government, one required MATH or STAT course, and required foreign language for B.A. degrees do not count against the two-course maximum.

2. **A&S COLLEGE/DEPARTMENTAL REQUIREMENTS**

   a. Arts and Humanities are defined as any course carrying an (H) designation or courses from AMST, ART, DANC, ENGL (except 3323) HIST, MUSI, PHIL (except 1313, 3003 and 4003), REL, TH, and foreign languages.

   b. Natural and Mathematical Sciences are defined as any course from the following prefixes: ASTR, BIOC, BIOL, BOT, CHEM, CS (except 4883), GEOL, MATH, MICRO, PHYS, and STAT; or any courses that carry an (A) or (N) general education designation.

   c. The required six hours of upper-division General Education may not include courses from the student’s major department. This requirement may be satisfied by courses also used to satisfy any part of a student’s degree program (i.e., in General Education, College Departmental Requirements, Major Requirements or Electives).

   d. The College of Arts & Sciences requires a minimum 2.0 GPA in all major requirements and a minimum 2.0 GPA in all major-prefix courses.

3. **FOREIGN LANGUAGE PROFICIENCY**
a. The foreign language requirement for the B.A. may be satisfied by 9 hours college credit in the same language, which must include
3 hours at the 2000-level, or equivalent proficiency (e.g., passing an advanced standing examination; TOEFL exam; presenting a high
school transcript which demonstrates the high school was primarily conducted in a language other than English; etc.). Computer
Science courses may not be used to satisfy this requirement. Currently Arabic and Muskoke are not offered at the 2000-level at OSU.
c. In addition to a. and b., students pursuing teacher certification must meet novice-high foreign language proficiency by presenting
a high school transcript which demonstrates two years of study of a single foreign language with no grade below B. Or, students may
complete 3 hours college credit in a single language with no grade below C (or pass an advanced standing examination, College Level
Examination Program (CLEP) exam, or Oral Proficiency Interview developed by the American Council on the Teaching of Foreign
Languages, equivalent to 3 hours of college credit.) Or, students may meet the requirement by transfer of documentation of
meeting the foreign language competency from one of the teacher education programs in the State of Oklahoma approved by the
Oklahoma State Regents for Higher Education.

4. EXCLUSIONS
a. Courses used to satisfy the General Education English Composition, U.S. History, American Government, and Mathematics or
Statistics requirements will not count toward the 54 hour maximum allowed from one department.
b. Courses with ATHL or LIUS prefixes and leisure activity courses may not be used for degree credit.
