Transfer Agreement
Between
Rose State College
And
University of Central Oklahoma

Effective Academic Year: 2018-2019

Associate in Science Degree in Biological Science

And

Bachelor of Science – Biology

Wayne Jones, Dean
Engineering and Science Division
Date

Dr. Robert Brennan, Chair
Department of Biology
Date

Dr. Wei Chen, Dean
College of Math and Science
Date

Dr. Jeff Caldwell
Vice President for Academic Affairs
Date

Dr. John Barthell, Provost
Vice President for Academic Affairs
Date
Transfer Agreement
Rose State College: A.S.-Biological Science
University of Central Oklahoma: B.S.—Biology

To comply with this agreement, students must complete the associate’s degree with the major listed above and include the specific courses listed below.

Courses listed here are required for the agreement. Credited courses completed as part of the A.A. or A.S. that do not apply to the general education at RSC or the UCO major transfer to UCO as electives.

<table>

This degree requires additional course work, including the general education, as stated in the RSC Catalog. Other RSC courses may or may not apply to the UCO major. That specific information can be found on the UCO website under the Online Transfer Guide.

(May be taken at RSC.) This signifies that a UCO course requirement can be met with the equivalent RSC course (found on the UCO website). To take this course at RSC, the student should confirm that it will fit into the associate’s degree without exceeding the requirements. A minimum of 60 hours must be taken at a baccalaureate granting institution. Exceeding 64 credit hours at the community college means the student will be required to take more than the minimum of 124 credit hour total. A minimum of 40 hours of 3/4000 level courses are required for the baccalaureate. Courses from community colleges are 1/2000 level.

Total at Rose State College .................................................. 60-64
To be taken at the University of Central Oklahoma .................................. 60-64

Support Courses ........................................................................... 0-3
Students majoring in Biology are encouraged to complete the following courses in high school.

<table>
<thead>
<tr>
<th>MATH 1593 Plane Trigonometry (May be taken at RSC)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Biology ................................................................. 41</td>
</tr>
<tr>
<td>Biology Core (required of all degree candidates) ...... 14</td>
</tr>
</tbody>
</table>

Required Courses:
15 of the last 30 hours must be taken in residence at UCO
60 hours from baccalaureate granting institutions

Additional degree requirements can be found in the UCO Undergraduate Catalog.

Program-to-Program Transfer policies are available in the Introduction for Program-to-Program Agreements on the UCO website at the top of the list of agreements. Links to the agreements can be found on the Academic Affairs or Transfer Student Support web pages.
